

OUR GROWTH STORY

Follow our journey of helping SMBs take control of their shipping and sales professionals take control of their careers.

Since 1990, Unishippers has helped small to mid-sized business (SMB) shippers find top parcel and freight shipping solutions to fit their unique business needs. Now, more than 30 years later, our 200+ franchisees help 121,000+ SMB customers ship 36M+ shipments annually. From humble beginnings and a simple business idea, we're proud to be a nationwide third-party logistics powerhouse. And our growth story is just getting started. Check it out!
